

## **US\$50–100**

One kilometer (0.6 mile) north of the town, the tranquil beachside **Celeste Vida Guest House** (Calle 12 s/n. tel. 988/916-2536, [www.hotelcelestevida.com](http://www.hotelcelestevida.com), US\$85 studio, US\$120 apartment) has it all. Decorated with colorful traditional fabrics, its three fan cooled units -- two kitchenette studios and an apartment with full kitchen--harvest the ocean breeze and there's a huge guest kitchen and barbeque to boot. Grab a novel from the library and a cold beer from the fridge and laze under a *palapa* by waters' edge, or borrow a kayak or bicycle to go exploring. The Canadian owners are an excellent source of local information. Wi-Fi is available, and *mototaxis* charge US\$2 from town.
